Forecast for Sunday 30 Jul 2023

Weather: The morning will be mainly cloudy with showers, some heavy and thundery, particularly over southern ranges. These showers will begin to ease through the afternoon with more in the way of sunny intervals with the evening becoming mainly dry.

Chance of cloud-free hill tops above 800m: 40% in the morning, 70% from the afternoon.

Low cloud and visibility: Broken cloud 500-600m at first in the morning breaks to become patchy while rising above the summits through the afternoon. Visibility will be mainly good but will fall moderate in showers and poor in heavier falls.
